

INPS at posting (ENASARCO)

Some salespersons in Italy are subject to "ENASARCO" tax.

These salespersons are handled as vendors. This function adapts the standard "INPS" management to accomplish "ENASARCO" management.

The screenshot displays the Dynamics 365 Business Central interface. A 'Select - Social Security Codes' dialog box is open, showing a table of social security codes. The 'ENAS' code is selected. The background shows the 'Vendor Card' for 'Mario Rossi' (F00170) with various fields and a statistics section.
